Rupesh K

Marine Procurement Engineer | B.Tech Marine Engineer
Dubai, United Arab Emirates

Summary

Experienced Procurement Engineer with around four years of expertise in managing end-to-end procurement processes for marine spare parts, consumables, and technical equipment. Currently contributing to Navigators Venture Ship Management LLC, ensuring the sourcing and timely delivery of essential materials to vessels worldwide. Skilled in leveraging ERP systems, vendor evaluation, negotiation, and compliance with marine standards. With a strong foundation in marine engineering and sailing experience, brings a deep understanding of vessel machinery and operations to procurement. Dedicated to achieving cost savings and operational efficiency through effective negotiation and alternate sourcing strategies. Committed to fostering seamless collaboration with vessel teams and logistics providers to support marine and offshore operations.

Experience

NAVIGATORS VENTURE SHIP MANAGEMENT LLC

Procurement Engineer

February 2024 - Present (2 years 4 months)

Dubai, United Arab Emirates

- Managed end-to-end procurement of marine spare parts, consumables, and technical equipment for multiple vessels
- Coordinated with Captain and Chief Engineer and vessel teams for technical requirements and urgent demands
- Handled RFQs, supplier evaluation, negotiation, and purchase order processing
- Developed and maintained a global supplier base for marine stores and spares
- Achieved cost savings through effective negotiation and alternate sourcing strategies
- Coordinated with logistics providers and shipping agents for on-time delivery to vessels worldwide

- Ensured procurement compliance with company policies and marine standards
- Used ERP systems for procurement tracking and reporting
- Verified invoices and coordinated with finance for timely payment processing
- Reduced procurement costs by 10–15% through strategic sourcing
- Successfully handled procurement for multiple vessels simultaneously
- Ensured zero critical delays in urgent spare parts delivery
- Maintained strong supplier relationships across UAE, Europe, and Asia

KHALID FARAJ SHIPPING

Procurement Engineer

September 2022 - February 2024 (1 year 6 months)

Abu Dhabi

- Managed procurement of marine and offshore vessel spare parts, deck stores, and technical equipment
- Handled sourcing for AHTS, PSV, LCT, Tug and offshore support vessels
- Coordinated with Captain and Chief Engineer and vessel teams for urgent and planned requirements
- Managed RFQs, vendor evaluation, negotiation, and purchase order processing
- Achieved cost savings through effective negotiation and alternate sourcing strategies
- Arranged urgent deliveries (air freight / express) to avoid vessel downtime
- Coordinated with freight forwarders, port agents, and chandlers for global deliveries
- Managed door-to-port and port-to-vessel logistics, including offshore supply
- Ensured procurement compliance with oil & gas and offshore safety standards
- Used ERP systems for procurement tracking and reporting

FIVE STARS SHIPPING COMPANY PRIVATE LIMITED

5th Engineer (FGV)

December 2013 - July 2014 (8 months)

Mumbai

- Assisted in the operation and maintenance of vessel machinery, including main engines, generators, and auxiliary systems.
- Monitored machinery performance and reported discrepancies to the Chief Engineer.
- Participated in onboard safety drills and emergency procedures.

- Supported inventory checks and maintenance planning to ensure operational readiness.
