Summary

Enthusiastic and results-driven professional with a background in mechanical engineering and hands-on experience in procurement and materials management. Currently serving as procurement Engineer at Bharat Electronics Ltd, where I specialize in 3D designing, technical procurement, and efficient materials planning using the SAP-MM Module. In my previous role at Cochin Shipyard Limited, I honed my skills as a Ship Draftsman, contributing to the design and drafting of hull structures and outfittings for defense vessels. This experience, coupled with certifications in NDT Level II and Quality Control, has equipped me with a diverse skill set and a meticulous approach to engineering projects. Education-wise, I hold a B.Tech in Mechanical Engineering with a commendable CGPA from Government Engineering College, Thrissur, and a Diploma in Mechanical Engineering from SSM Polytechnic College, Tirur. Proficient in AutoCAD, Tribon M3 and SolidWorks, I bring technical expertise to the field. My commitment to continuous learning is evidenced by certifications in Basic Pipeline Engineering and completion of online courses from reputable institutions. I am eager to connect with professionals in the mechanical engineering, Design, procurement, and materials management sectors. Let's explore synergies and discuss how my diverse experiences and skills can contribute to collaborative and impactful projects.

Experience

Page 2 of 2 — Sobha Constructions (*Nov 2024 – Present, 1 yr 7 mos*)

Bharat Electronics Limited — Managing end-to-end procurement of Mechanical, Electrical, and Plumbing (MEP) materials and services in line with project specifications and schedules. Experienced in sourcing and negotiating for HVAC equipment, ducts, valves, pumps, electrical panels, wires and cables, conduits, lighting fixtures, plumbing materials, pipes and fittings, and insulation materials etc. Skilled in vendor evaluation, tendering, and cost analysis to achieve optimal quality and pricing. Proficient in Xpedeon ERP and SAP Ariba for procurement planning, sourcing, and documentation. Coordinating closely with design and site teams to ensure timely delivery, compliance, and smooth project execution while implementing cost-saving strategies. (*May 2023 – Nov 2024, 1 yr 7 mos*)

Ship Draftsman Trainee — Cochin Shipyard Limited (*Nov 2021 – Apr 2023, 1 yr 6 mos*)

Intern — Steel and Industrial Forgings Ltd (*Jul 2018 – Jul 2018, 1 mo*)

Education

Government Engineering College, Thrissur | MECHANICAL ENGINEERING, Mechanical Engineering | 2017 - 2020

SSM Polytechnic College Tirur | Diploma, Mechanical Engineering | 2014 - 2017

Skills

Technical Skills: Shipbuilding, SAP Ariba, Procure-to-Pay

Certifications

Intelligent Machining

Inspection and Quality control in manufacturing

SALIHES

Mechanical Engineer

Dubai, United Arab Emirates
