

# Technical Specs

Procurement Engineer

## Summary

---

As a Procurement Engineer at Voltron Electromechanical Works LLC, I leverage my mechanical engineering background and procurement skills to ensure the timely and cost-effective delivery of materials and equipment and services. I have over three years of experience in this role, where I have successfully negotiated contracts, managed purchasing processes, and analyzed market trends to optimize procurement strategies. I am passionate about applying my knowledge and skills to contribute to the success of the company and the industry. I hold a Bachelor of Engineering degree in Mechanical Engineering from St Joseph Engineering College, Mangaluru, and have completed certifications in Market Analytics and Negotiation Strategies from Coursera. I am always eager to learn new skills and explore new opportunities in the field of procurement and sales engineering.
